INAUGURAL

Canadian Glaucoma Meeting

Welcome Message from CGS President Karim F. Damji

My colleagues on the CGS executive and I are excited to see the launch of our first 'Canadian Glaucoma Meeting (CGM)' and wish to acknowledge the hard work and effort of our dedicated planning team (Ike Ahmed, Paul Harasymowycz, Jennifer Rahman, Jamie Taylor), our CGS admin assistant Samreen Amin, and Kelly Watters and her colleagues at AMR Events Inc.

This meeting has benefited greatly from your input that has helped shape our agenda. You can also see we selected a terrific Canadian venue for the meeting!

I am thrilled to see the registration numbers for the meeting and hope this grows each year!

I want to acknowledge the unrestricted educational grants made possible through the generosity of our sponsors, in particular our gold level sponsors Alcon and Allergan.

I look forward to spending time with you and any family members, and hope all of you have a wonderful experience.

Karim F. Damji, MD, FRCSC, MBA
President
Canadian Glaucoma Society

Mes collègues de l'exécutif CGS et moi sommes ravis de voir le lancement de notre première « Réunion canadienne du glaucome (CGM) » et tiennent à souligner le travail acharné et les efforts de notre équipe de planification dédiée (Ike Ahmed, Paul Harasymowycz, Jennifer Rahman, Jamie Taylor), notre assistant administrateur de CGS Samreen Amin, et Kelly Watters et ses collègues de AMR Events Inc.

Cette réunion a grandement bénéficiée par votre contribution qui a aidée à façonner notre ordre du jour. Vous pouvez aussi voir que nous avons choisi un lieu canadien formidable pour la réunion!

Je suis ravi de voir les numéros d'enregistrement de la réunion et espère que cela augmente chaque année!

Je tiens à souligner les subventions éducatives sans restrictions rendues possibles grâce à la générosité de nos sponsors, en particulier nos commanditaires de niveau or Alcon et Allergan.

J'ai hâte de passer du temps avec vous et tous les membres de la famille, et j'espère que vous avez tous une expérience merveilleuse.

Karim F. Damji, MD, FRCSC, MBA
Le Président
Société canadienne du glaucome

Welcome Message from CGM Planning Committee

Dear Colleagues

Welcome to the inaugural Canadian Glaucoma Meeting.

As a Canadian Glaucoma Society member, this is your meeting!

We hope to provide a unique meeting emphasizing professional and social interaction with colleagues across the country. In a more focused way than other national meetings, we are aiming the content at clinically relevant topics for the glaucoma sub-specialist.

We hope the format and size of the CGM will launch discussions and insights that we can apply when we return to our practices. We also hope you and any family members attending will have fond social memories from Niagara-on-the-Lake to take back with you.

We are fortunate in having broad corporate sponsorship in the form of unrestricted educational grants and wish to thank all our sponsors.

Looking forward to your participation and feedback on how to make the next CGM even better!

Ike Ahmed, Paul Harasymowycz,
Jenn Rahman, Jamie Taylor
Your CGM Planning Committee

Cher collègues

Bienvenue à la réunion canadienne du glaucome inaugural.

Comme membre de la société canadienne du glaucome, cela est votre réunion! Nous espérons fournir une réunion unique qui souligne des interactions professionnelle et sociale avec des collègues à travers du pays. Dans une manière plus spécifique que les autre réunions nationales, nous visons le contenu à des sujets cliniquement pertinentes pour le sous-spécialiste en glaucome.

Nous espérons que le format et la taille de la CGM engageront des discussions et des idées que nous pouvons appliquer lors de notre retour à nos pratiques. Nous espérons aussi que vous et les membres de la famille qui participent aurez des bonnes mémoires sociales de «Niagara-on- the-Lake» de reprendre avec vous.

Nous sommes très heureux d'avoir un large mécénat sous la forme de subventions à l'éducation sans restriction et tenons à remercier tous nos sponsors.

Nous sommes excités d'avoir votre participation et nos commentaires de comment faire la prochaine CGM encore mieux!

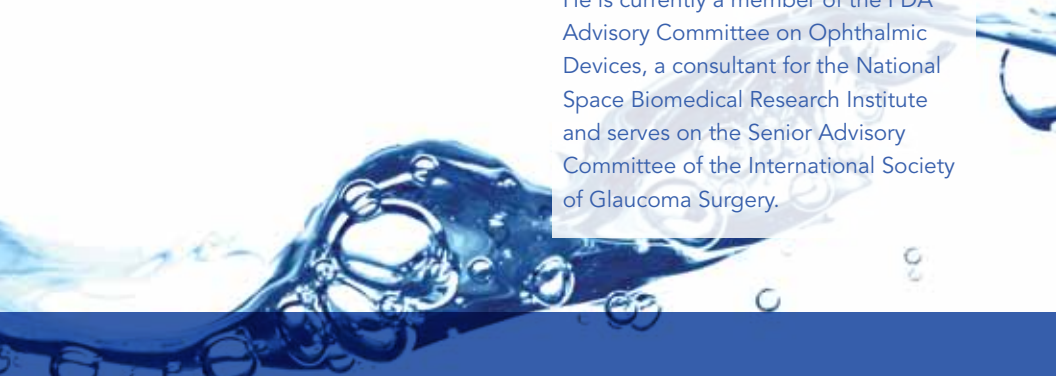

Ike Ahmed, Paul Harasymowycz, Jenn
Rahman, Jamie Taylor
Ton CGM comité de planification

Featured Guest Speaker

Kuldev Singh is Professor of Ophthalmology and Director of the Glaucoma Service at the Stanford University School of Medicine. He received his BSc from McGill University and MD and MPH degrees from the Johns Hopkins University after which he was a Dana Foundation Fellow at the Wilmer Eye Institute. Following residency training at the Casey Eye Institute, he undertook a Heed Foundation Fellowship at the Bascom Palmer Eye Institute. Dr. Singh has published over 275 papers, book chapters, monographs and abstracts; delivered over 350 invited lectures, edited two textbooks and served on the editorial boards of ten ophthalmic publications

Dr. Singh has served as President of the American Glaucoma Society, Executive Vice President of the World Glaucoma Association, Board Chair of the Glaucoma Research Foundation and Chair of the Ophthalmic Technology Assessment Glaucoma Panel of the American Academy of Ophthalmology. He is currently a member of the FDA Advisory Committee on Ophthalmic Devices, a consultant for the National Space Biomedical Research Institute and serves on the Senior Advisory Committee of the International Society of Glaucoma Surgery.

Niagara Falls Bus Tour

SATURDAY APRIL 25, 2015

2:30PM–5:30PM

In this customized tour, CGM guests will experience one of Canada's most unique natural treasures. On this tour, guests will have the opportunity to visit the Journey Behind the Falls and Table Rock Centre.

Journey Behind the Falls

The sound is like thunder; the sight is awe-inspiring! Take a journey deep below and behind the heart of Niagara, and stand in the mist where the mighty Horseshoe Falls tumbles from 13 storeys above! At Journey Behind the Falls, you'll experience the awesome spectacle of one-fifth of the world's fresh water crashing down to the basin below.

You'll receive a free souvenir biodegradable rain poncho as protection from the mist of the Falls.

Table Rock

Table Rock Centre is the heart of Niagara Park—where every year over 8 million visitors stand close to the thundering water rushing over the brink of the Horseshoe Falls!

Hundreds of years ago, the land on which the pedestrian walkway at the brink of the falls and Table Rock now stands, formed part of the Falls and was covered with fast flowing water.

The original Table Rock was one of the oldest structures taken over by the Commission with the Parks' lands in 1886. It was erected in 1853 by Saul Davis at a time when private owners controlled the land surrounding the Falls. It occupied a site just north of the existing Table Rock, opposite the historic land form of Table Rock, a limestone ledge which was overhanging near the brink of the Falls and that fell into the Niagara Gorge in 1850.

Please visit the registration desk for further details.

Agenda ... FRIDAY, SATURDAY

Friday, April 24, 2015

5:00 PM–8:00 PM

Welcome Reception

CGS members and Gold Sponsors, Belfountain Room

Saturday, April 25, 2015 Moderator—Ike Ahmed

7:00 AM–8:00 AM

Breakfast

Escabeche Dining Room

7:30 AM–8:00 AM

Registration

Royal Cambridge Foyer

8:00 AM–8:10 AM

Welcome Remarks

Karim Damji

8:10 AM–8:55 AM

Landmark Clinical Trials: What We Have and Have Not Learned—Part I

Kuldev Singh, Featured Guest Speaker

8:55 AM–9:15 AM

Case Controversy: 360 Degrees of Appositional Closure, S/P LPI, Normal IOP, Disc—What Next?

Devesh Varma

9:15 AM–10:15 AM

Tube Tips and Tricks

11:45 AM–12:00 AM	Future of CGM <i>Presented by CGM Committee</i>
12:00 PM	Meeting Adjourned <i>Boxed Lunch Will Be Available</i>

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada, and approved by the Canadian Ophthalmological Society. Physicians may claim a maximum of 8.25 hours (credits are calculated automatically).

Through an agreement between the Royal college of Physicians and Surgeons of Canada and the American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits. Information on the process to convert Royal College MOC credit to AMA credit can be found at www.ama-assn.org/go/internationalcme.

Physicians should only claim credit commensurate with the extent of their participation in the learning activity.

Notes

The image shows a yellow notepad with rounded corners and horizontal lines. The word 'Notes' is written in a blue cursive font at the top center. At the bottom right, there is a blue water splash graphic with bubbles.

At the time of printing, the following speakers and committee members had made the following disclosures:
